## EXHIBIT

20 exhibitor tables are available and will be located in the Summit room. There will be an additional lounge to take those in-depth conversations out of earshot. The exhibitor fee of \$375 plus GST is for the space for March 12 and 13; in addition to the fee for the space, at least one person must register for the Summit per day to go with the booth. Set up is by 8:00 a.m. and teardown is after 5:00 p.m. on Monday (preferably after the reception – 7 pm) or after 4:30 pm on Tuesday. The fee for the booth does not change if you attend one day or both days.

We'll send you some questions closer to the event to find out if you want a table, how many chairs, power, etc. The exhibition space is on the main floor and the load-in distance is short.

Most importantly, you'll have the opportunity to share your product or service with approximately 100 prequalified summit and training attendees. Join us!

Exhibitors please register your booth and attendees through Eventbrite.
